Safety Data Sheet according to Reg. (EG) N. 1907/2006

262 Alfa Dry Fitting Mesh

1. Identification of the substance/mixture and of the company/undertaking

1.1 Product description

Adhesive mesh with acrylic dispersion, low tack, on one side with PE-film cover

Product name

262 Alfa Dry Fitting Mesh

1.2 Uses of the substance or mixture

main user group

SU3, SU21 and SU22

Product category

PC1 (adhesives, sealants)

Use the self-adhesive foil

Process category

PROC 10

1.3 Supplier

Alfa GmbH

Ferdinand-Porsche-Straße 10

73479 Ellwangen/Germany

Tel.: +49 (0)7961-57 99 0

Fax: +49 (0)7961-57 99 25

Information on Safety Data Sheet:

E-Mail: sales@alfa-direct.com

Emergency telephone number:

Ingestion

Drink 1 or 2 glasses of water. Consult a physician if necessary.

5. Firefighting measures

Suitable extinguishing media

Water, CO₂, foam, powder

Not to be extinguishing agents

No

Special hazards arising from the substance or mixture

No known information

Special protective equipment

No

Quality for Professionals

Safety Data Sheet according to Reg. (EG) N. 1907/2006

6. Accidental release measures

6.1 Personal precautions

Avoid contact with the body.

6.2 Environmental precautions

Remove mechanically. Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

7. Handling and storage

Handling

No special measures required.

Fire protection

No special measures required.

Storage

At room temperature of about 21 °C and 50 % RH.

8. Exposure controls/personal protection

8.1 Components

Does not contain any substances for which an occupational exposure limit value is set.

8.2 Personal protection

Eye/face protection

Safety glasses with side-shields.

Hand protection

Suitable protective gloves.

9. Physical and chemical properties

Appearance

Solid

Color

White/ clear

Odor

Weak characteristic odor

pH -

Density -

Quality for Professionals

Safety Data Sheet according to Reg. (EG) N. 1907/2006

10. Stability and reactivity

General

Stable

Possibility of hazardous reactions

No dangerous reactions known

Hazardous decomposition products

No data available

11. Toxicological information

Acute toxicity

There is no information.

Primers Irritability

To the skin no irritation

On the eye no irritation

Additional toxicological information

The product does not require labeling due to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version.

12. Ecological information

Ecotoxicity

Poorly biodegradable

Additional information

No further relevant information available.

13. Disposal considerations

Disposal according to official regulations

14. Transport information

No hazardous good according to transport regulations.

15. Regulatory information

EU regulations

No

National regulations

No

Chemical Safety Assessment

Chemical Safety Assessment was not performed for this product.

Quality for Professionals

Safety Data Sheet according to Reg. (EG) N. 1907/2006

16. Other information

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
