

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 EC

Trade name : EXTRA-LAY (double-sided)
Revision date : 31.10.2014
Date of print : 31.10.2014

1. Name of material / preparation and company

Name of material / preparation:

EXTRA-LAY (double-sided)

Product description

Adhesive tape

Name of company / Manufacturer:

Company name: D-TACK GmbH
Street : Handwerkerstr. 1
Postal code/city: 73460 Hüttlingen
Telephone: +49 (0) 73 61 / 63 37-0
Telefax: +49 (0) 73 61 / 63 37-211
Information contact: sales@d-tack.com

For emergency health, safety an environmental information, telephone +49 (0) 7365-9633-0
(only to office hours)

2. Hazard identification

Dangerous substances Directive (67/548/EEC); Dangerous Preparations Directive (1999/45/EC).

This product is considered to be an article and is therefore exempt from risk classification. If properly handled and used this product currently presents no known specific risk to humans or the environment.

3. Composition: information on ingredients

	Type
Open side adhesive	Acrylic
Carrier	-
Closed side adhesive	Acrylic
Liner	Glassine Paper

4. First aid measures

Inhalation:	No specific first aid measure necessary
Ingestion :	Seek medical advice
Skin contact :	No specific first aid measure necessary
Eye contact :	In case of irritation, seek medical advice

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 EC Status

Trade name : D-TACK DUO-LAY (double-sided)
Revision date : 31.10.2014
Date of print : 31.10.2014

5. Firefighting measures

Extinguishing methods : Water, carbon dioxide, foam or dry powder
Inappropriate extinguishing media : No known inappropriate media
Special hazards : Formation of toxic gases is possible in case of fire. Do not inhale combustion gases.
Protective measures : Self-contained breathing apparatus recommended.

6. Accidental release measures

Personal protection :	Not applicable
Environmental protection :	Not applicable
Clean up method :	Not applicable

7. Handling and storage

Precautions for safe handling :
No risk of emission or exposure to dangerous chemical products under normal conditions of use.

Conditions for safe storage :
Not applicable

Storage recommendations :
Store at a temperature between 18 - 30°C and 50 to 60% relative humidity. Under these conditions the product can be kept for up to 12 months in its original packaging.

8. Exposure limitation and personal protection

Exposure limits :
No exposure limits noted for ingredients listed in section 3.

Personal protection :
No specific protection required

General hygiene and protection measures :
Do not eat or drink at the work site and wash hands after work.

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 EC Status

Trade name : D-TACK DUO-LAY (double-sided)
Revision date : 31.10.2014
Date of print : 31.10.2014

9. Physical and chemical properties

General specification:

State : Solid
Composition : See paragraph 3
Colour : See technical sheet
Odour : Weak
PH : Not applicable
Boiling point/range : Not applicable
Flash point : Not applicable
Flammability : Unclassified
Danger of explosion : Unclassified
Oxidising properties : Unclassified
Vapour pressure : Not applicable
Relative density : Not applicable
Solubility in water : Not applicable
Solubility in solvents : Not applicable
Viscosity : Not applicable
Vapour density : Not applicable

10. Stability and reactivity

Non-reactive and stable under normal storage and use conditions
Substances to avoid : powerful oxidising agents
Decomposition products
No hazardous decomposition products under recommended usage conditions.
Hazardous decomposition products may occur as the result of oxidation, excess heating or a reaction with other substances.

11. Toxicology information

No known specific danger
Based on our current knowledge and under normal conditions of use, this product has no dangerous toxic effect.
No evidence of toxicity or sensitisation.

12. Ecological information

Ecotoxicity : No known effect
Persistence and degradability : No test data available
Bioaccumulative potential : No test data available
Mobility in soil : No test data available
Other adverse effects : No data available

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 EC Status

Trade name : D-TACK DUO-LAY (double-sided)
Revision date : 31.10.2014
Date of print : 31.10.2014

13. Disposal considerations

The product and the packaging may be incinerated together in an authorized disposal site.

14. Transport information

Under the regulations in force the product is not hazardous and is not subject to specific labelling.

15. Regulatory information

European directives : Unclassified
Symbols and indications of danger : Non-hazardous product

16. Other information

All information contained in this document is given on the basis of our knowledge at present and is given in good faith but does not constitute a warranty for final use of the product. No warranty should be understood or implied as the final use and application of the product are beyond our control. All risks should be taken into consideration by the final user.
